**To Self-financed International students enrolled at TUMSAT
(Excluding Research Students, Exchange Students or Credited Auditors)**

**Information regarding the application for scholarships
awarded upon recommendation by the university in AY 2024**

Self-financed international students have an opportunity to receive a recommendation by TUMSAT when they apply for private scholarships including Temporary Monbukagakusho Honors Scholarship for Privately-Financed International Students. If you wish to obtain the recommendation, all applicants are requested to submit the following documents by the deadline. After application, candidates undergo a first round (screening of applications) and second round (interviews) of selection, after which they are ranked by the International Students Committee based on their performances. Outstanding students are then recommended for a scholarship.

(Ref. List of scholarships awarded upon recommendation by the university in AY2023 【Attachment】)

1. Documents to be submitted (A4 size, single-side printing, DO NOT staple them together)

(1) Application form (Form 1)

(2) CV (Form 2)

(3) Academic Papers and Publications (Form 3) (Copy is acceptable)

※ If you do not have any papers or publications, please write N/A on the form.

(4) Research Plans (for undergraduates, plans for study), Progress (Form 4)

※ You can download form (1)~(4) from the following site.

<https://www.kaiyodai.ac.jp/international/foreignstudents/>

(5) A copy of your housing lease contract, or any documents which shows the rent and contract period.

※ Please note: This is not required for the residents at TUMSAT's Student Dormitory, International House on campus, University Apartment, and Tokyo International Exchange Center at Odaiba.

(6) Transcripts (Copy is acceptable)

• Undergraduate students (excluding the first year students): Transcript of the entire undergraduate course.

• The first year students of Master course: Transcript of the entire undergraduate course.

• The second year students of Master course: Transcript of the entire Master course

• Doctoral course students: Transcript of the entire Master course and Doctoral course

(7) A copy of both sides of your residence card

Your residence status in Japan must be defined as “Student”(留学). Students who plan to change their status of residence to “Student” at a later date must resubmit a copy as soon as possible after the change. If you are abroad and on school leave, you do not need to submit it.

- (8) Certificate of English and/or Japanese proficiency issued by an outside organization.
(If available)

NOTE: Some scholarships require a certificate of English and/or Japanese proficiency.

- (9) Other items as required by TUMSAT

- International Students Section on Shinagawa campus
- Students Support Section on Etchujima campus

3. Deadline : June 14, 2024

4. Notices of the first round of selection result : By June 21, 2024. Results will be informed by email.

Passing candidates of the first round of selection are required to attend the interviews on July. The interview is mandatory. If you do not attend, TUMSAT will not be able to give you a recommendation to apply for private scholarships under any special circumstances. The date of the interview will be emailed as soon as it is decided. Both Japanese and English are acceptable in the interview. If the applicant chooses English, they will not be recommended for scholarships that require Japanese proficiency.

【Evaluation criteria of the first round of selection 】

1. Academic assessment (Out of 5, specific grade is not disclosed.)
2. Type of housing
 - University Apartment, Tokyo International Exchange Center at Odaiba, or apartment under ¥60,000 (1 point)
 - TUMSAT’s Student Dormitory, International House, or no rent (0 point)
3. Past record of receiving a scholarship

Received scholarships of over ¥48,000 for more than twice within the past two years (Minus 1 point)

※ Received Monbukagakusho Honors Scholarship for Privately-Financed International Students by JASSO will not be counted as a record.
4. Enrollment in the project: Marine Environment and Energy Professional Training International Courses based on collaboration among Japanese, Chinese and Korean (0.5 point)

Upon calculating the evaluation points from No.1 through No.4, those who obtained highest total score will be ranked from the top.
